

## Job vacancy – Clinical Nurse (3 positions)

To support our work at the MCH in Karaan, Bondhere and Yaqshid, CISP is hiring three new clinical nurses.

### Job Description:

- Assess clients coming to the MCH or referred from health posts regarding their health status and their medical problems and conduct consultations according to standard, including complete history taking and examination. Diagnosis must be made following these procedures.
- Provide professional clinical nursing care for clients accessing healthcare service at the MCH, including vulnerable clients requiring tailored support.
- Provide CMR for survivors of sexual violence.
- Identify urgent and life threatening complications for admitted clients, provide the most effective medical MCH level intervention and report to the case manager and MCH supervisor.
- Educate clients and other members of the community in good health practices (hygiene, nutrition, and community support to survivors of Gender Based Violence).
- Administer treatment to the clients according to the updated clinical treatment guidelines.
- Supervise the Community Health Workers in his/her job according to their job descriptions and support them in carrying out follow up visits of clients.
- Do regular inventories of the MCH's pharmacy to ensure proper drug supplies, according to the schedule.
- Collaborate with Case Manager to support survivors of GBV and take part in Case Management Meetings as requested by the Case Manager.
- Collect data on a daily, weekly, monthly and whenever necessary basis as requested by the MCH supervisor.
- Be responsible, look after and account for all equipment and material and other medical supplies used in the performance of the job.
- Train junior staff and CHW in providing proper medical diagnosis and treatment protocols.
- Critically supervise the general facility's hygiene and sanitation standards and critically perform/supervise medical equipment sterilization, handling and storage procedures.
- Document all treatment and care given and provide updates to the Case Manager.
- Work closely together with the Case Manager and counselor to ensure holistic care is provided.
- Any other responsibilities as requested by the supervisor.

### Requirements

The nurse should have a compassionate, caring, and non-judgmental personality. The nurse should be a person who keeps sensitive information by him- or herself.

- Degree in Nursing Junior or Senior.
- Minimum 3 Year previous experience with medical organizations.

- Experience working with vulnerable people.
- Experience in CMR and support to survivors of GBV is an asset.
- Written and spoken Somali and English

**How to apply:**

Send a motivation letter (1 page) and CV written in English including 3 references to the following email address: [cispmog.vacancies@gmail.com](mailto:cispmog.vacancies@gmail.com). The deadline for all applications is the 24<sup>th</sup> of February 2014. Female candidates are encouraged to apply.

Please note that only shortlisted candidates will be contacted. The selection process will consist of two interviews and an assessment exercise. CISP could consider your application for other positions.

CISP is strongly committed to ending Child Abuse and all forms of Sexual Exploitation and Abuse. The desired candidates should share and support this commitment in all aspects of their personal and professional behaviour. Any information implicating that the applicant has a history of Child Abuse or Sexual Exploitation and Abuse is a reason for excluding him or her from employment with CISP.
